LOCAL RIDERS HORSES WIN BLUE RIBBONS

Local Cooperation Is Spotlight Of Horse Show

The Horse Show presented Friday, Saturday and Sunday was the outstanding event of the 12th District fair and the people showed their appreciation of the events by a record attendance Saturday and Sunday nights, with a fair number on the opening night.

The cooperation of the local horsemen and women and the numbers presented by Ukiah Quadrille were the spot lights of the Horse Show, according to Mrs. A. J. Gallaher, who was director of the show.

Quadrille Team

The announced complimented the quadrille team as unsurpassed in northern California and equal to any in the state. Showing the result of untiring practice and thought in arrangement and presentation, the quadrille "took the show" each performance. A. A. Smith was quadrille master and A. T. Henrich announcer. A special ribbon was presented the quadrille team.

The trail horses, a large percentage of which were local entries, made a record in the number of horses in the event. From this large class J. W. Mailliard Jr., of Yorkville won first place.

Sonoma county sent many fine entries and leading stables of the state carried off blue ribbons. Among the leading stables with entries were the Barbara Worth stables of Sacramento; Maple stables, Woodland; Fuller stables, Mr. and Mrs. F. B. Hart, and many others.

Mrs. A. T. Henrich, on "Boy", won first place in the ladies' mounts, and "Madame Queen," owned by A. R. Bonnifield and ridden by Jane Small, won second. Santa Rosa horses won third and fourth places.

Miss Bobbie Austin, daughter of Mr. and Mrs. Robert Austin of Santa Rosa, placed second in the pleasure horses. Miss Bobbie made her first appearance on the track at the Ukiah horse show, riding her own pony, "Red Rock."

In Friday's events, Cora Beth Anderson won first place in junior trail horses; Jim Mailliard of Yorkville, second; Bill Watson, Ukiah, third; Scotty Hughes, Ukiah, fourth.

Ben Edwards won first place Friday in ranch horses events, and A. R. Bonnifield placed third and fourth in the same event.

"Katherine Patsy," owned by I. C. Burke of Boonville, was the winner in the junior stock horses event Sunday; with Jim Wilsey on "Cuba" third, and Jim Mailliard of Yorkville fourth. Mary Ellen Hovey was first in the child's pony event Sunday, riding "Shrimp," owned by Fuller stables; Jane Singley was second, and Donald Hammond of Ukiah third.

In all of the events in which local riders and horses entered they were competing with horses and riders from well known stables of the state.

In local Hackamore horses, Friday, A. H. Martin placed first; M. Bevans, second; Fuller stables, third, and R. S. Richardson, fourth.

McCowen Attends Hoover Meeting

Attorney Hale McCowen was one of the group from northern California which gathered at a campfire meeting in the Santa Cruz mountains the end of last week and heard Herbert Hoover give an informal talk on the Republican outlook for 1940.

Following a barbecue supper, more than 100 leading Republicans of the northern section of the state seated themselves in a natural amphitheatre and the ex-President of the United States gave his viewpoint on the next election and answered questions which sprang from the group, informally gathered to hear Hoover.

Mrs. McCowen accompanied Mr. McCowen as far as San Francisco, visiting with her daughter, Miss Frances, overnight.

Death Calls C. B. Scott In 83rd Year

Funeral Services To Be Held Tuesday In Ukiah

Charles Butheir Scott, 83, a member of one of the oldest and best known pioneer families of the county, completed a full and good life early Sunday morning when he passed away quietly on the ranch that had been his home for 50 years. Death released him from a year's illness.

C. B. Scott was born near Stockton April 5, 1856. He was one of 12 children and the last one of these 12 to die. He came to Ukiah in February of 1882 and has made his home here since that time.

He was married to Martha Christine Smith December 17, 1884, by Rev. Harrison Price of the Christian church in Ukiah. Four years ago the couple celebrated their golden wedding anniversary at the home on the Talmage road where they had lived 50 of their 54 married lives.

A prominent rancher of the valley, Scott will be remembered by all of his friends as an outstanding character. In his youth when all entertainment was given by local people, Scott entertained well as a singer. He was a faithful member of the Christian church.

Deceased is survived by his wife, Martha, two sons, Lester of Santa Rosa and District Attorney Russell Scott of Salinas, and three grandchildren, Burr, Shirley and Nancy Scott.

Funeral services will be held at Eversoles Mortuary at two o'clock Tuesday afternoon with Rev. Elbert Holland officiating. Mrs. Annie Richey will sing.

FAIR AND POW WOW HERALDED A-1 SUCCESSES

Great Crowds Attend Events Of Three Day Fair

The 12th District Fair and Yo-Kayo Pow-Wow is now a matter of history, but it will live long in the memory of the people as a successful celebration, participated in by several thousand people, who enjoyed the numerous events and joined in the gay festival spirit.

Starting with the Pow-Wow breakfast of Friday morning, crowds gathered at each event. R. B. Simonet, chairman of this affair, brought several musical organizations to entertain the committee workers and Ma-ta-cha girls present.

Ralph Hogan Jr., won first place in the bicycle races from Vichy Springs to the court house. Mark King was second and Bobby Rains came in third.

Winding its way through the streets from the starting place at School and Seminary, the parade of Friday, under the leadership of Edward A. Eversole, grand marshal, officially opened the celebration. The highway patrol car led, with the Burke sisters as color bearers, followed by a float bearing Princess Yo-Kayo Marjorie Nassie, her maids of honor, Ruby Zunder, Helen Anderson, Mary Morgan and Nello Aggi.

Walter Sandelin, general chairman, used a burro for his conveyance. Four Indian braves rode bareback, with two trucks of other Pomos and their chief, Coo-Nay, leading this division in an open car. "F. D. R.," portrayed by Art Osborn, drew a big hand from the crowd of some 5,000 people lining the streets.

The Ukiah Municipal band, under the direction of Dr. C. E. Roberts, furnished music for this and all other parades and events.

A great deal of time was spent by the Rotary club in preparing their float, which took first place.

Sister Of W. S. Van Dyke Celebrates 100th Birthday

The world is a wonderful place—so Sarah Van Dyke, elder sister of W. S. Van Dyke of Ukiah, has found for 100 years. As callers came and went at her home in Sacramento with congratulations and flowers on her 100th birthday, July 11, Miss Van Dyke discussed the things she has enjoyed most in life: life itself, and health and strength and, to her the greatest thing, her church.

Born In Ohio

Miss Van Dyke was born in Georgetown, Brown county, Ohio, July 11, 1899. President U. S. Grant, a native of the same country, was often a visitor in her parents' home.

There were eight children in the Van Dyke family. Two of the brothers are living: W. S. Van Dyke, 83, lives in Ukiah, and Frank, nearly 92, resides in Pleasant Grove, Sutter county.

Lonesomeness and melancholy have no part in her life. She has a companion, Mrs. Ella Jackson, but she is able to do many things for herself.

Her nephews, B. F. Van Dyke, an attorney in Sacramento; Volney Van Dyke of Sacramento and E. B. Smith of Oakland and other relatives were with the celebrant on her birthday. Will Van Dyke of Ukiah and his father, W. S. Van Dyke, were unable to attend.

Mary entered the Show in the evening and won first place in the Child's Pony event.

Willits Properties Go Up in Flames; Loss Estimated, $30,000

Old Mill, Shake and Shingle Mills, Valuable Modern Machinery Are Total Loss; No Insurance

McKee's Mill, one of the landmarks of Little Lake valley, was completely destroyed by fire Wednesday afternoon and the great tanks of the Shell Oil company stationed adjacent to the mill were threatened by the flames which consumed the mill, shingle and shake mill together with valuable machinery.

The loss is estimated at approximately $30,000. There was no insurance on the buildings or equipment.

The fire is believed to have started from a hot box in connection with the electric saw and spread rapidly. There was not a telephone in the mill and some time was lost before the fire department was notified of the fire. When the department arrived the danger of the fire spreading to the tanks of the Shell Oil was imminent and attention was directed to saving of that plant when it was realized that the mill and other buildings nearby were doomed.

The mill was built many years ago and at one time was the property of H. B. Muir, well known timberman of Willits. More recently apostles of Father Divine took an option on the property and installed a considerable amount of modern machinery. The shake mill which also burned to the ground, had just been completed and the most modern of electric saws was part of the equipment.

The mill properties are located on the railroad southeast of town. The wind was blowing away from the town but the sparks threatened to ignite ranch properties in the line of the wind. CCC men from Camp Northwestern aided in fighting the flames. The furniture was removed from the McKee home when the destruction of the home was feared.

Mr. and Mrs. Ernest McKee are owners of the mill property. Henry Haehl is in charge of the Shell Oil property which was threatened by the fire.

The destruction of the mill is the heaviest fire loss sustained in the county for a long time.

Sum Stipulated For Indebtedness Of City's Bonds

Members of the city council in session Wednesday night passed an ordinance fixing the amount at $10,000 as the sum required to take care of the bonded indebtedness of the city. The sum of $1700 was stipulated for the general fund, which takes care of activities prescribed by law.

The council considered the plans for the new fire and police building and also for the sewer farm. The plans for the building were not yet complete and changes requested in the plans for the sewer farm delayed acceptance. Both engineer and contractor on the jobs were in attendance at the meeting.

Adjustment was made in the permit rates for repairs, these having been considered too high in some instances.

COVELO NEWS

COVELO, July 27.—The recent excessive heat has had no deterrent effect on business and social activities in the valley during the past week.

The Chamber of Commerce has awakened from its somnabulism of some months and at the request of interested members, past president—or rather the last acting president, Senator G. M. Biggar called a meeting which was held at Hotel Covelo on Thursday evening. The business of the session was transacted around the tables following an informal dinner at which Mrs. T. B. Hill was hostess. It was decided that the Covelo Chamber of Commerce get back into the harness and pull for civic betterment. The next meeting will be held August 16 at the same place, with the same inducement to come, that is, a dinner cooked by Hotel Covelo's efficient chef. At that time election of officers will be held.

In a recent letter to a Covelo friend, J. L. Monday, formerly of Covelo, passed on the information that the Forestry department was sponsoring and helping to finance the placing of monuments or markers at strategic points of historic interest and suggested that Round Valley had perhaps an unusual number of such. After discussions as to whether the matter could be swung locally, it was decided to cooperate and Mrs. T. B. Hill, R. T. Hurt and Austin Gray were named as a committee to gather more information and report. It should be added that this re-organized Chamber of Commerce is inviting the ladies to become members.

For some time a movement has been on foot to purchase an X-ray machine as a community project, form a fund-contributing group, elect a board of directors, buy the machine, install it in Dr .J. E. Mooy's office and arrange specifications whereby each investor would be reimbursed, and perhaps with added dividends. An encouraging amount of interest has been shown and at last accounts almost the entire sum required had been pledged. The machine will be the property of the community, to be left here in case our present physician should leave the valley, and will be available for use whenever needed at a reasonable fee.

A third community boosting enterprise that is fast taking shape is the Covelo Women's Improvement Club clubhouse. Frequent meetings have been held of late by the building committee in conjunction with the executive board of the club and plans for financing the movement are well under way with expectations of work to be begun in the near future.

And last, but by no means least in the public eye, is the work that was begun last week on the streets of Covelo and the main thoroughfares of the valley. This work is being done under the supervision of an expert engineer and when completed it will be a pavement such as is used on all state roads where slab is not yet laid. The edict is that the work will go on until the allotted amount of money is used and present plans are to extend the oiled pavement as far north as the crossroads north of the Reservation church and school, and south to the foothills.

Still another item of especial interest is that the Covelo post office is definitely placed on the Civil Service list and that the present postmaster Frank Hagne's application has been confirmed by the U. S. Senate.

The C. W. I. C. librarian, Mrs. Minnie Montgomery, reports that the club is happy over the gift by Senator G. M. Biggar of 30 books for the fast-filling shelves.

Two recent grass fires in the vicinity have called out volunteer fire fighters who, by drastic efforts, saved houses and barns. On Friday of last week Mrs. Ray Bauer, looking toward the region to the southward of their home, discovered a rapidly gaining fire. Fanned by an unusually strong northwest wind, it was making rapid strides toward the G. F. Johnson home. The alarm was given and men left hay and harvest fields, threshing and stores to fight the flames, with the wind a tough adversary. Johnson was in Trinity county looking after his sheep on summer pasture (assisting the herder in moving the herds) and when more fighters were deemed necessary, Mrs. Johnson phoned Willits CCC camp and a crew of CCC boys was sent from Leggett Valley. All did valiant work but the blaze was not entirely extinguished until Sunday, by which time it had reached the hillside north of the Johnson home and was burning on the western floor of the tiny valley. Flames also spread dangerously near the buildings on the Will Gray ranch, on the main road over the mountains to the east.

Many social affairs have keep valleyites on the go of late. Picnics, parties, etc. have caused a complete disregard for the climbing mercury. On Sunday, July 16, over 60 friends gathered on the grounds of the F. O. Scott ranch to do honor to his reaching the 80th milestone. Scott, for some time a resident of Ukiah, has been in California 65 years and in Mendocino county 57 years. The family lived in Round Valley for some time, moved away, and came back about 11 years ago. The hale and hearty old gentleman's birthday party was marked by a picnic dinner, barbecued beef, religious services, and later a swimming party by all the younger generation. Russell Richardson of Ukiah presided over the barbecue pit, assisted by Harry Cromwell. Some of the best cooks in the valley added this and that to the picnic feast and how everyone did eat! Religious services were conducted and the sermon preached by Rev. J. A. Freeman of Ukiah (a son-in-law of the Scotts), and music was furnished by Mr. and Mrs. C. S. Foster, Misses Helen Lowry and Beaulah Vie Foster, and Mr. and Mrs. Freeman, whose voices were accompanied by Miss Edith Boyd of Calpella on the violin and by Mr. Robbins playing the guitar. Those present whose names got on this reporter's list were: Mr. and Mrs. F. O. Scott, Mr. and Mrs. J. A. Freeman of Ukiah, Ralph Scott, Mr. and Mrs. Harry Cromwell and family, Mr. and Mrs. Charles Foster, Mr. and Mrs. Russell Richardson of Ukiah, Mr. and Mrs. Rupert Poe of Fort Bragg, Mr. and Mrs. Clifford Foster, Mr. and Mrs. Bert Hutchinson, Mr. and Mrs. George Hutchinson, Mr. and Mrs. Henry Cyrus, Mr. and Mrs. Phillip Robbins, Mr. and Mrs. Ernest Robbins, Mr. and Mrs. J. W. Wilson, Mr. and Mrs. Leo Sanders and family, Mr. and Mrs. Charles Schleinz, Mr. and Mrs. Joe Scott and Jeanne and Neil of Ukiah, Truman Lowry, Clyde Henry, E. E. Van Horn, Mesdames Alva Freeman of Ukiah, Leora Barrass, Effie Long, Grace Foster, Misses Helen Lowry of San Jose, Helen Saunders of Los Angeles, Nellie, Helen and Johnette McCaskie of Pittsburgh, Pa., Fay and Juanita Freeman of Ukiah, Esther Riesland of Calpella, Edith Boyd and Catherine Wilson of Redwood Valley, Beulah Vie Foster, Mary Wilson and Lorene Spence. It was a time long to be remembered, with everyone wishing Mr. Scott many, many happy returns.

FIRE THREATENS C. SUZZONI AND BENSON RANCHES

Flames Sweep Down From City Dump Onto Valley

Fire sweeping down from the city dump on the Orr's Springs road threatened the Charles Sozzoni and E. H. Benson ranches Sunday afternoon and burned over hundreds of acres of hillside.

The fire broke out Saturday afternoon, with the temperature at 108 degrees, and rushed toward the town, across the fields north of the golf course. It was met by Ukiah Fire department and C.C.C. men and stopped at the gulch just before it made inroads into the residential district in that area.

Thought to be well under control, it flared up Sunday afternoon, fanned by a breeze that swept it toward the Sozzoni and Benson ranches. Local firemen and the Sozzoni men and friends backfired in time to save the homes and barns of the two ranches endangered and with aid from the C.C.C. camp, the fire was again brought under control. It is still smoldering in the hills.

This is the second year in succession that fire from the city dump has endangered homes and buildings in and near Ukiah. The only material loss sustained this year was wood cut on the Sozzoni ranch.

Smoke from the blazing hills sent a shroud over the valley and intensified the heat of an already hot July day.

● AT HOME TOWN — Mr. and Mrs. L. M. Folsom and daughter, Mary Dale, are in Ukiah for a couple of days from their ranch near Willits. The Folsoms are spending the summer months at Circle W ranch. They came to this city Wednesday morning and will return to the ranch Friday.

10 YEARS AGO

S. K. Bittenbender died very suddenly at his home in Berkeley Tuesday morning, following a stroke of apoplexy. His sudden death was a terrible shock to his relatives and friends.

Beside the widow, the deceased leaves two grown sons, Duane and Lloyd Bittenbender of Ukiah, and three grandchildren.

No trace has been found of Mrs. M. E. Rowe, aged 77 years, of Albion, who left her home on the Albion Ridge a week ago to go blackberrying, and her disappearance has furnished the most baffling mystery that has confronted Sheriff R. R. Byrnes during the entire period he has held office.

It is rumored about town that C. A. Crosby, representing the Mutual Home Builders, has about closed the deal for the purchase of the block occupied by the old grammar school. Pat Connolly, one of the owners of the property, made a special trip to Ukiah Friday night and Mr. Crosby has been given an option, which is now being considered. In case the deal goes through it is the intention of Mr. Crosby to erect eight or ten modern homes on the tract, as soon as the old school building is wrecked.

The Ukiah Christian Science Society received the plans and specifications for a proposed new church edifice from their architect the first of the week.

A fire broke out on the George Hewlett ranch, just this side of Hopland, Wednesday afternoon and burned over 75 acres of grass and brush before it was brought under control. About $200 worth of fencing was destroyed.

Last Saturday evening a group of intimate friends surprised Mr. and Mrs. Harry Burke with an impromptu charivari, as the Burkes' had just celebrated their silver wedding anniversary. The affair was also in the nature of a afrewell party as the family is leaving Willits soon for Ukiah, where Mr. Burke's work as county clerk compels him to live.

C. B. Mallory, county sealer of weights and measures, has moved to Ukiah from Fort Bragg on account of this being a more central location. Mr. Mallory has purchased the Walter Myer home on Thompson street.

Mr. and Mrs. R. E. Shimmin, Miss Marie Dooley, Miss Bea Shimmin and Charles Shimmin spent the week end camping at Lane's Redwood Flat.

A party consisting of Mr. and Mrs. W. B. Hagans, Mr. and Mrs. Jack Smith and daughter, Mrs. George Kohler and daughter, Barbara; guests of the Smiths; Mr. and Mrs. Vic Weiss of Fort Bragg and Mr. and Mrs. Ben Edwards returned the first of the week from several days' camping trip to Weott.

20 YEARS AGO
July 25, 1919

The death of Henry H. Banks, which occurred in this city last Thursday afternoon, marks the passing of a pioneer educator, one who taught in the public schools of the county for more than 40 years.

Mrs. J. G. Jackson of Fort Bragg, widow of the late J. G. Jackson, who founded the Caspar Lumber Co., died at her home in San Francisco, Sunday.

According to Joe Adams, foreman of the Hewlett ranch near Hopland, the experiment of irrigating the growing hops has proved very successful.

"Wire Your Home for Electriliving"

by your electrical contractor

It isn't enough to merely wire a home today for electric lighting. This is the age of electriliving. Electricity no longer merely works on a night shift. Electricity works round the clock — on duty twenty-four hours a day. (Clocks and electric refrigerators are constantly on duty . . . sometimes radio, too.)

In many homes wiring is designed only for lighting. Such wiring is not adequate to take the "pull" of the many plug-in appliances used today for electriliving. Loading lighting circuits with appliances causes a two-fold money loss in your electric bill. Due to voltage drop, appliances do not get the full power of electricity you pay for. You must use more kilowatt hours because the operation of appliances is slower.

What is to be done about this? How can you be sure your house wiring is designed both for good electric lighting and complete electriliving? Plan to have big enough wires on the work circuits, especially in kitchen and laundry. Then lights will not dim nor blink. Then your appliances will get full electric pressure to do their jobs quickly and cheaply.

Remember this . . . the difference in cost between "skimpy" and completely adequate wiring in the average house is very little. A wiring installation well designed for complete electriliving *adds* less than two per cent to building costs.

LONGSHOREMEN OBEY RULING OF ARBITER MORSE

Pickets Withdrawn At Fields Landing, Eureka

Eureka longshoremen went back to work Friday following the decision of Wayne Morse, west coast waterfront arbiter, that Mendocino and Eureka locals, I.L.W.U. had thrown up an illegitimate picket line at Fields Landing in direct violation of the coastwide agreement between the Waterfront Employers and Longshoremen's union.

Professor Morse held that the agreement violation existed particularly in that the union took direct action by throwing up a picket line before calling for arbitration as provided in the agreement between the employers and the union.

The motorship "Parakoolo," chartered by the General Steamship corporation, a signatory to the 1938 agreement, arrived in port and docked at Fields Landing Sunday, July 16, preparatory to loading approximately a million feet of redwood for Australian ports.

Of this amount, 548,000 feet was trans-shipped by rail from the Union Lumber company at Fort Bragg to Fields Landing.

When buses brought three gangs totaling 52 longshoremen of the Eureka local of I.L.W.U. to Fields Landing, local longshoremen refused to pass through a three-man picket line, headed by William Gettings, district organizer for the I.L.W.U. and a special organizer for the C.I.O., and including two members of the Mendocino local of I.L.W.U., Hap Unselt and Charles McGuire of Fort Bragg.

WILLITS NEWS

WILLITS, July 21.—In the presence of about 60 relatives and friends, Leanore Jensen and Harold Almorrode were united in marriage Wednesday evening at the Methodist church, with Rev. C. L. Buckner reading the impressive ceremony. Preceding the ceremony Mrs. Buckner sang "O Promise Me," with Maxine Duffield at the organ. Herbert Catterall and David Jensen acted as ushers. The wedding procession was led by two bridesmaids, Pauline Gibbons and Anna Quinn, daintily attired in pink and blue organdie formals with perky little hats made of fresh sweet peas. They were followed by the matron of honor, Mrs. Roy Williams, sister of the bride; two little flower girls, Patsy Jensen and Rosemary Ware, and little Billie Lewis as ring bearer, and the charming bride upon the arm of her father.

They were met at the altar by the groom and his best man, Harold Jensen, brother of the bride.

The bride wore the lovely white wedding gown which her mother wore as a bride, with a full length veil and carried a wedding bouquet of gardenias and lillies of the valley.

After the ceremony, a reception was held at the ranch home of the bride's parents, Mr. and Mrs. N. C. Jensen. The many beautiful wedding gifts were displayed and much admired. The happy couple departed for a brief honeymoon, and will reside in Willits upon their return.

Out-of-town guests were Mrs. Hattie Rathbun, grandmother of the bride; Mrs. Mary Rathbun, Mrs. Nora Brown, Billie John Brown, Mrs. Dorothy Ware and three daughters, Rosemary, Shirley and Janice of Lodi, and all relatives of the bride, and Mrs. Honegger and daughter, Nellie of San Francisco, Mr. and Mrs. Roy Williams of Fort Bragg and Mr. and Mrs. Henry Henenhofer of Klamath, mother and stepfather of the groom.

Mrs. H. H. Mitten submitted to a major operation at the Howard Memorial Hospital Wednesday morning. At last reports, her condition was very satisfactory and her many friends wish her a speedy recovery.

The Farm Bureau Ladies' club held their regular meeting outdoors on the lawn, under the spreading trees of the yard, at the home of Mrs. Walter Moore, Wednesday afternoon.

Mrs. Martie Boe, who has been ill for some time, was able to preside as president. A delicious picnic luncheon was served by the hostesses of the day: Mrs. Walter Moore, Mrs. W. A. Moore, Mrs. Donald Muir and Mrs. Lonnie Lawrason. After the business meeting the time was spent singing old fashioned songs, visiting and enjoying the beautiful out of doors, surrounded by the wooded hills. It was voted to give a card party at the Farm Center hall on August 19, to assist the 4-H Boys' club to raise money to take them to the annual convention, to be held at Davis, the first week in September.

Mrs. A. H. Thompson gave a charming luncheon at her home on Redwood avenue Thursday afternoon, in honor of Mrs. J. F. Lindsmeyer. The afternoon was spent at the contract tables, with Mrs. Clarke holding the high score; Mrs. Presley McPeak, second, and Mrs. E. E. Elwell, low. Mrs. Lindsmeyer was presented with a lovely guest prize. The guest list included Mrs. Clara Clarke, Mrs. McPeak, Mrs. Roy Good, Mrs. Lola K. Josephson, Mrs. E. E. Elwell, Mrs. E. M. Fish, the guest of honor and the hostess.

A large crowd attended the meeting of the Rebekahs last Tuesday evening for the "Old Time night," when as many of the old-time officers as possible filled the chairs. Mrs. H. C. Moha of Windsor came up for the occasion. Mrs. Mohn is a daughter of the late Parker Hall and lived in Willits for several years.

Mr. and Mrs. Don Alexander of Ukiah were visitors at the D. N. Munson country home Thursday. Delbert Lee Munson returned to Ukiah with them for the duration of the 12th District fair.

Mr. and Mrs. A. N Saliss of Compton, Los Angeles county, were house guests at the Munson home last week.

Mr. and Mrs. Joe Fordyce just returned from several weeks spent with relatives in southern California.

Delegates Chosen To Attend Convention

Delegates were elected to attend the American Legion convention to be held in Oakland in August, as follows: John Isnard, commander; Joe Figone, Walter Messick and William Knewboe.

Also at this meeting Wednesday night a motion was made to investigate installing signs on the 101 highway directing travelers the way to the hospital. It was reported that often much time is lost by people who are unable to find the hospital immediately. Signs would also be installed at intervals on the way to the Ukiah General Hospital. J. C. Roberts is in charge of this plan.

● YELLOWSTONE TRIP — Mr. and Mrs. Earl Fullerton were joined by Fullerton's sister, Miss Beatrice Fullerton of San Francisco, and the three people drove to Yellowstone National Park where they will spend the better part of a two weeks' vacation.

Talmage Loses, 3 To 2, To Bear Photo Team

(By Phil McKinley)

Breaking their winning streak of four straight, the Talmage Sluggers were nosed out 3-to-2 by the Bear Photo nine from San Francisco Sunday in Soper stadium at Talmage.

Groper went the route on the hill for the Photomen, allowing only three hits. According to observers, he didn't have much on the ball and he lacked speed but the Sluggers couldn't swat any base hits. They looked like a bunch of hitless wonders.

In the last of the ninth frame the Sluggers started a rally that would probably have won them the game had not Vassar been put out trying to steal third base. Vassar was the first man up and walked. Severi singled. Then Vassar was put out attempting to steal third. McKenzie fanned. Soper and Ottosen walked to load the bases. Busch singled to score Severi and Soper. Mott then fanned to end a rally that almost brought victory to Talmage.

Severi hurled the entire game for Talmage. He fanned ten but lacked his usual effectiveness. He allowed nine hits and issue three free passes. Bear Photo scoring came in the second, sixth and eighth innings. Two were earned runs and one digit was garnered as a result of an error by Ernie Mosna, covering first, in an attempted trap.

Obert and F. Coronel got two hits in three tries for the Photomen. Severi bagged two for three for the Sluggers. Next Sunday the Talmage Sluggers play the Sonoma Merchants.

More than 30 drivers have entered Sunday's inaugural race which carries a total of $550 in prize money. A series of elimination heats will be run to reduce the field and lessen the accident hazards due to crowded tracks. The management expects to operate during the fall months with midget and motorcycle races.

28 Animals Place In The Champ Class

Willits Collects 78 First Prizes At Stock Show

Twenty-seven Willits Future Farmers collected 78 first prize ribbons, 43 seconds, 23 thirds, and 18 fourth places in the junior livestock division at the 12th District Agricultural Fair. Willits placed 28 of their animals in the champion class, which proved to be the best showing that the Willits group has made at the local Fair.

Although there were no sweepstakes award made this year, Willits garnered the bulk of the prize money and ribbons in the Future Farmer division. Every boy competing managed to win some of the premium money, which more than helped defray the expenses of the trip. Educationally the boys were many times paid, for the stock shown at this year's Fair was of a high calibre.

The Future Farmer booth exhibit of honey, bee equipment, and wool, under the direction of Future Farmer Halford Potter, won first prize.

Dave Jensen, with his Hampshire hogs, was awarded the J. A. York Special prize, a Hampshire gilt, for his outstanding entry of Hampshire hogs in the junior division, which includes both 4-H Club boys and Future Farmers.

The following are the Future Farmers from Willits who so successfully exhibited their prize winning stock: Glenn Yocum, beef cattle; Elmer Pinches, dairy cattle and poultry; Don Yocum, poultry; Raymond Shelton, hogs and dairy cattle; Jim Maize, sheep; Perry Smith, sheep; Paul Bray, hogs; Cornelius Murray, beef and dairy cattle; Jim Whited, poultry; Charles Ford, poultry; Jim Morgan, dairy cattle, poultry and hogs; Walter Eriksen, beef cattle and poultry; Randall Clow, sheep; Bud Hopper, sheep; Leon Stratton, dairy cattle; Richard Alpers, beef; Gene Garliepp, beef cattle; Merrill Bramlett, hogs; Jim Muir, hogs; Charles Anderson, dairy cattle and sheep; Dave, Steve and Howard Jensen, hogs and poultry; Nick Tsarnas, poultry; Robert Maize, poultry; and Bob Garliepp, beef cattle.

Talmage Sluggers Play Glass Co. Nine Sunday

(By Phil McKinley)

After losing a close, heart-breaking contest last Sunday 3-to-2 to the Bear Photos, the Talmage Sluggers play a powerful Owens-Illinois Glass Co. nine from Oakland Sunday, in Soper stadium at Talmage, at 1:30 p. m.

Originally the Sluggers were scheduled to play a return game with Sonoma. At the last minute Manager "Foggy" Ottosen received a letter from Al Erle, booking agent, stating that Sonoma had cancelled their Sunday game with the Sluggers.

Little is known about the individual members of the Glass Co.'s team except that Erle says they possess a strong aggregation. In any case the Sluggers, after last Sunday's setback, will be out to beat the Oakland nine.

Erle asserted that Talmage will play Fort Bragg August 13, probably at Fort Bragg. Only thing previously standing in the way of a game between Mendocino county's two best nines was former manager McLaughlin. "Pop" Marshall has since relieved McLaughlin of the Fort Bragg managerial duties, so relations between the two teams are now back on a friendly basis.

Severi, whose strikeout average slipped down to 14 per contest last Sunday, will be the Talmage starting pitcher, with Frank Mott backstopping behind the bat. Severi is expected to be in better form Sunday in the tilt with the Glassmen than he was in last Sunday's 10-strikeout 9-hit performance.

Joe Woodruff will cover first with Rawles on second and Al Sousa holding down third. Now leading the team in runs batted in, Jim Busch will be at shortstop. The Talmage outfield is still a toss-up between five players, Manager Ottosen, Glenn Vaughn, Ernie Mosna, Freddie McKenzie and Roy Soper. In the line of base hit strategy Ottosen intimated that he might start Soper and McKenzie as a repercussion to last week's anemic hitting performance of right handers Vaughn and Mosna.

Starting hurler for the Owens Illinois Glass Co. is expected to be Kobreff, a pretty fair bush hurler. Catching for the Glassmen will be Valeria, a fast thinker with a good arm.

The contest will be umpired by Ginochio and Tamborini. Phil McKinley will give the play-by-play account over H. A. Jenny's public address system.

POW-WOW GUESTS

Mr. and Mrs. E. J. Moore, Mrs. W. A. Newcomb, Ted Fraser and Gordon Smith were Lakeport people attending Ukiah's celebration Sunday. They joined the large Fort Bragg caravan at the Tahoe-101 junction and were escorted into town by the highway patrol. Miss Vivian Wilson, Thomas Manning and D. Morrison were also Lakeport people at the auto races and horse show Sunday.

Beverly Broaddus Jr. Wins Contest Trip To World's Fair

A trip to the World's Fair in New York with all expenses paid and his program planned with all the prestige of leading magazines of the country to carry it out, is ahead for Beverly Broaddus Jr., who is in Redwood Coast hospital recuperating from injuries received in a truck accident recently.

The cheering news arrived by mail this week that Beverly, agent in this area for the Saturday Evening Post, Ladies' Home Journal and Country Gentleman, had won first prize in a contest based on increase of sales over a given period.

It will be the middle of August before the patient is able to leave the hospital and weeks later in all probability before he is able to travel, but the prospects of a trip to New York will be a factor in rapid recovery.

Beverly was injured in the Silverado camp when the brakes of a truck he was driving failed to hold on a steep hill, the truck and driver going through the railing of a bridge into the Noyo river.

Beverly Broaddus is a son of Under-sheriff and Mrs. Beverly Broaddus.

Alex Thomas Home From Fishing Trip To Canadian Wilds

Alex R. Thomas, Alex Jr., Major W. K. Kneasse of Carmel and Commodore M. J. Peterson of Carmel have returned from a fishing trip which took them into the Quesnel lake country in Canada. The party enjoyed almost a month of traveling and fishing in Canada. The trip took them 800 miles north of Vancouver.

The men report wonderful fishing especially in Lake Quesnel country and abundance of wild animals, moose, deer, grouse and other interesting animals. The grouse were so tame that the men were able to take pictures of them.

Major Kneasse, a retired army officer, and Commodore Peterson, a retired navy officer, have been the guests in the Thomas home on previous occasions. They are old friends of Thomas, who was a Colonel in the World War.

● Master Kevin Coles, son of Mr. and Mrs. Kenneth Coles, spent the week end with his grandparents, Mr. and Mrs. Fred Coles in Lakeport.

● Mrs. E. M. Fish of Willits, the president of Mendocino County Federation of Women's clubs, was in Ukiah Wednesday on matters connected with the county program for the coming year.

TRUSTEES BUY FLEET OF FIVE SCHOOL BUSES

Decide On Purchase As Economical Method

A fleet of five school buses, standard equipment, have been purchased by the trustees of Ukiah Union high school at a cost of $16,900 and will be operated by the trustees for the district.

The board considered carefully both types of bids, contract and direct purchase, chosing the latter because it was the opinion of the board that that method is the more economical.

The contract for the bodies has been let to Gillig Bros. of Hayward, and the five chassis have been purchased through local firms, as follows:

G.M.C chassis, Weber, Buick Co.; International, Ukiah Garage; Studebaker, Forrest Hughes; Mack, North State Garage; White, Vevoda Motor Sales. The chassis will be delivered at Gillig Bros., and the complete trucks will be delivered in Ukiah before the opening of the school term in September.

Weber of Ukiah and Sauer of Fort Bragg submitted contract bids for the trucks and operation.

The purchase of the fleet of new trucks was made necessary by a ruling of the State Board of Education. Everything possible was done by the present board to retain the use of the buses on hand and while they passed inspection, they did not qualify for the number of children to be transported.

The new buses have a varied capacity: one of 43, three of 45 and one of 55. The board figures on the operation of the new trucks over a period of ten years as the minimum and a number of years longer in actuality.

Ukiah Union grammar school trustees will contract with the high school trustees for transportaion of grammar school students over the routes traveled by the high school buses.

Payment for the new equipment will be spread over a period of three years and will be made from the general fund composed partly of funds from the state and partly from the district.

Members of the high school board of trustees are: C. R. Yarbrough of Redwood Valley, president; James Eddie, Vernon Ruddick, Walter Sandelin, S. E. Mitchell. C. M. Fulkerson, principal of the school, is ex officio secretary and executive officer of the board.

The buses will be operated over the same routes as formerly and with the same drivers in charge.

4-H Emblem Now Protected by Law

BERKELEY, July 26.—Unauthorized use of the 4-H club emblem, worn by the farm boys and girls who are members of that organization, is now an offense under the law, the California clubs have been advised by W. G. Waterhouse and Frank M. Spurrier, state club leaders and members of the staff of the agricultural extension service of the University of California.

The law penalizing misuse of the emblem was passed by the present Congress and signed by the President. It is believed that the legislation will be of assistance in discouraging those who wish to commercialize the 4-H club activity by using the name or emblem on manfactured articles or in other ways that have no connection with club work.

The emblem is in the shape of a green four-leaf clover with stem and a white or gold H in each leaf. The four H's represent head, heart, hands, and health.

About 40 per cent of the rural youth of America spend at least one or two years in 4-H club work, which is sponsored by the agricultural extension services of the land grant colleges and the United States Department of Agriculture, with the help of voluntary leaders. At present there are 74,000 clubs with more than a quarter million members. The membership in California is in excess of 11,000.

More than 7,000,000 boys and girls have worn the club emblem and received the benefits of club work.

ONE THIRD OF PEAR CROP SOLD TO CANNERIES

4000 Tons Of Pears Contracted By Growers

More than 4000 tons of pears were sold to the canneries last week by Mendocino county growers at $30 per ton and the pear market looks the most encouraging for several years. The tonnage sold equals a third of the local pear crop.

Buyers swooped down on the growers Friday of last week, buying pears by the hundred tons and closing deals which totalled the largest cannery sales and the quickest in year. It is believed that the worm condition which developed in Sacramento pears is the cause of the heavy buying in this county where the pears are in excellent condition.

The packing houses in Ukiah valley are operating and will be in full swing before the end of the week. The Lambert Fruit company is shipping several cars to London the first of this week. Cunningham & Thomas shipped the first car of the season Saturday.

The good quality of other fruits this season is a factor in the sale of pears and this fruit is also in good condition.

Foreign Cars Register At Redwood Motel

Anyone who travels or crosses the Redwood highway this month of July is cognizant of the number of out-of-state cars that fly by. Observors of traffic on the highway view many cars in a row all from out-of-state localities, from every part of the United States and Canada.

Travel from far off points, tho' more infrequent, is not rare this summer. During the past week two parties traveling by car registered at the same time at the Redwood Motel, both from far off points. Mr. and Mrs. J. A. Walkey shipped their car from Mendoza in the Republic of Argentine and are touring this country, and Mr. and Mrs. F. B. Prihe and daughter of Calcutta, India, occupied the second car. There is not a week that a car or more from foreign lands is registered at the Motel.
